

IRTE Skills Challenge 2022

Team Entry Form

Entry Instructions

The Line Manager/Training Manager must provide the details of all technicians taking part in the IRTE Skills Challenge for their organisation. Although the manager will complete this form, each named person needs to put an electronic signature next to their name in the 2nd section of the form to confirm that they have read and understood how we will use their data. Participant(s) must be working for the organisation at the time of the IRTE Skills Challenge (6-10 June).

The maximum number of qualified teams that can be submitted by one organisation is one. Additional teams over the limit may be submitted for the reserved list. The team may also contain an entrant for Skills Challenge Masters (the entrant should be a previous Skills Challenge category winner with electrical and mechanical experience). Please see the Skills Challenge Masters information sheet for more information. Please note that previous winners may not re-enter this year apart from to enter the Skills Challenge Masters category.

This form must be submitted by **9 May 2022**. Please also provide a short bio for each participant along with a photo, which may be used for the winners brochure and PR purposes, no later than **16 May 2022**.

How we use your data

The Society of Operations Engineers, and its trading company, IRTE Services Ltd, are committed to protecting your privacy; we will use personal data provided on this form for the purposes of administering the IRTE Skills Challenge and producing competition related marketing & PR material. The team's data will also be shared with S&B Automotive, who are our competition partners, for purposes of running the testing week, as well as with competition judges and sponsors for the purposes of conducting the tests, grading them and distributing prizes to winners.

Please read the above information and sign below to confirm you have understood.

COVID-19

Although legal restrictions associated with COVID-19 have been lifted, we remain prepared to protect those involved in the competition by following the guidance in the government's 'Living with Covid' plan (www.gov.uk). By completing this application form you agree to abide by these measures and, in the event that any restrictions are reintroduced (e.g. requirements for signed declarations and/or testing), to abide by these conditions.
